

Dear Parent:

For more than twenty years CAAM Chinese Dance Theater has shared not only professional quality dance instruction but also deep insights and valuable lessons from Chinese culture with our audiences, students and partners. CAAM CDT's 2017 summer camp is no exception!

CAAM CDT's summer camp is again two sessions held conveniently located on the West side and the East side of the Twin Cities, to be close to your home or work. Your camper can choose one, two or three week options (obviously the longer the time, the broader and deeper the experience).

CAAM CDT is blessed to feature professionally trained dance instructors as well as exceptionally talented members of the Chinese community who want to share Chinese dance arts and culture with the campers. In many cases CDT can offer teacher/camper ratios of 1/8 or even smaller! Campers will have a rich individualized experience indeed.

As in prior years an integrated curriculum will feature various themes in Chinese culture. Summer 2017 campers will dig deeper into various topics introduced in our 2017 Production: "The Keepsake". In addition to dance, campers will explore various Chinese art forms, including ceramics and embroidery, as well as Chinese culture, values, and legends about love and family. Field trips are also planned to investigate real life and hands on resources in our own community. Campers do not need to speak Chinese to attend, and they do not need prior dance experience.

Session 1: West Side

June 12-30, 2016 9- 5 pm*
Hopkins High School
2400 Lindbergh Drive,
Minnetonka, MN 55305
